Why Choose Us

About Us

McLaud Group is a premier legal and business advisory firm based in Dubai, specializing in high-value corporate and commercial law, business structuring, contracts, employment law, intellectual property, and oil and gas agreements. We provide strategic legal counsel to ultra-high-net-worth individuals (UHNWIs), multinational corporations, and sovereign wealth funds, offering sophisticated solutions tailored to complex business transactions and regulatory landscapes.

With extensive expertise in regional and international legal frameworks, McLaud Group is committed to delivering results-driven legal strategies that empower businesses to mitigate risks, optimize opportunities, and achieve sustainable growth.

Our Expertise

We offer a comprehensive range of legal and business advisory services, including:

CORPORATE & COMMERCIAL LAW

- Business setup & structuring
- Mergers, acquisitions, and joint ventures
- Shareholder and partnership agreements
- Corporate governance and compliance

CONTRACTS & NEGOTIATION

- Drafting and reviewing commercial agreements
- Contract negotiation and dispute resolution
- International business transactions

EMPLOYMENT & LABOR LAW

- Executive and employment contracts
- HR policies and regulatory compliance
- Dispute resolution and employee relations

Our Expertise

OIL & GAS CONTRACTS & TRANSACTIONS

- Joint Operating Agreements (JOAs) – Advising on rights, obligations, cost-sharing, and operational control among co-venturers.
- Barefoot Agreements – Structuring contractual arrangements where an operator drills without an initial working interest in exchange for a future stake.
- Well Drilling & Service Agreements – Advising on contracts governing drilling operations, equipment leasing, and oilfield services.
- Supply, Transportation & Offtake Agreements – Drafting contracts for the sale, transportation, and distribution of hydrocarbons across jurisdictions.
- Decommissioning & Abandonment Obligations – Advising on compliance, financial liability, and regulatory requirements for well abandonment and site restoration.

FINANCE & CRYPTOCURRENCY DISPUTE RESOLUTION

- Regulatory compliance and risk management in financial transactions
- Resolving disputes in banking investment and FinTech transactions
- Cryptocurrency fraud, exchange disputes, and asset recovery

IP & BRAND PROTECTION

- Trademark registration and enforcement
- Licensing and franchising agreements
- IP strategy and dispute resolution

Why Choose Us

At McLaud Group, we combine world-class expertise in strategy and legal consultation with a client-centered approach that puts your needs first. Our team of seasoned professionals takes the time to understand your unique challenges and goals, offering tailored, actionable solutions that drive both immediate and long-term success. We are committed to delivering results with integrity and transparency, building strong, trusting relationships that empower your business to thrive in a complex, ever-evolving landscape. Your success is our priority.

Our Strengths:

- **Strategic Legal Expertise:** Decades of experience advising top-tier clients in Dubai and global markets
- **Industry-Specific Knowledge:** Specialized legal counsel for oil and gas, corporate, and commercial sectors
- **Confidential & Exclusive:** High-touch service for select clients, ensuring discretion and priority attention
- **Global Reach:** Expertise in cross-border transactions and international negotiations

The Leadership
